

ALL G & S Singers. Are you interested in being part of a Concert Version of "Gondoliers" in the Spring 2018?

This will be directed by Nigel Ashdown-Watts who sang Tenor with us last July and will take place in Chichester, as before.

Our first meeting is scheduled for next Wednesday 8th November in Mountford 3 Emsworth Community Centre from 8.30 p.m. to 10 p.m. and will be tagged on the end of my usual choir rehearsal. We will have a run through of Gondoliers and then discuss future rehearsals and allocation of roles.

We are also planning to have another compilation event in October with Opera Comique and led by Kevin Sivyer. On that occasion it will likely be a trio of G & S's Presentation of "Pirates" "Pinafore" and "Gondoliers" so what we do in the Spring will also do for October.

This is all going to be for Charity once again. The Spring Event being for Joe Glover and the October event will involve The Rotary.

Are you free to come along Wednesday 8th at 8.30 p.m.
